DETAILED ACTION

Allowable Subject Matter

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claim 1 is the inclusion of the entire combination of features including the telescopic rear legs and the triangular structure of the pivoting feet attached thereto and to the front legs, the brace arms attached to the first front legs and received on the rear legs by a support element and disposed in a non use position of the front legs to the support elements. The prior art of record fails to teach or suggest the combination of features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hugh B. Thompson II whose telephone number is (571) 272-6837. The examiner can normally be reached on Monday thru Friday 9 am to 5:30pm.
